#### **INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors STOP Foodborne Illness, Inc.

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of STOP Foodborne Illness, Inc. (an Illinois nonprofit organization), which comprise the statements of financial position as of December 31, 2020 and 2019, and the related statements of activities, cash flows and functional expenses for the years then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of STOP Foodborne Illness, Inc. as of December 31, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

#### NOTE 1 - ORGANIZATION AND NATURE OF ACTIVITIES

STOP Foodborne Illness, Inc. (STOP) (the Organization) is a national nonprofit public health organization which originally formed in 1993 and incorporated in California in 1994 under the name *Safe Tables Our Priority, Inc.* STOP is dedicated to the prevention of illness and death from foodborne pathogens by advocating for sound public policy, building public awareness, and assisting those impacted by foodborne illness.

Due to the relocation of its principal headquarters to Chicago, the Organization formed a new corporation under the Illinois General Not for Profit Corporation Act with the new name of *STOP Foodborne Illness, Inc.* and merged the organizations with the new corporation being the surviving entity. In March 2012 with an effective date of June 23, 2011, the Internal Revenue Service determined the new corporation is tax exempt under Internal Revenue Code Section 501 (c) (3) and is classified as a public charity under Section 170 (b)(1)(A)( vi).

STOP was formed in the aftermath of the Jack in the Box *E. coli* outbreak as a grassroots effort. STOP was a touchstone for families stricken by the outbreak, and a resource for media outlets. Increasing awareness about foodborne pathogens served as a guiding principle in the early years of STOP. STOP joined the Safe Food Coalition, and became a strong voice within this group and a catalyst for change. In 1996, STOP was key in facilitating the first meat and poultry reforms since 1906. Over the years STOP has significantly improved public health by raising awareness about foodborne pathogens, advocating for stricter regulations and assisting those personally impacted by foodborne illness. STOP regularly works with and informs receptive food industry trade groups and companies, national and local media, government representatives on both sides of the aisle, as well as the USDA, FDA, HHS (Health and Human Services) and the CDC (Center for Disease Control). The Organization holds congressional forums and panels with legislators, those affected by foodborne illness and professionals from a diverse range of disciplines, such as physicians and meat inspectors. In January 2011, due in large part to STOP and the tireless efforts of its supporters, President Obama signed H.R. 2751 *The FDA Food Safety Modernization Act* into law. The FDA now possesses mandatory recall authority, and must inspect facilities more frequently.

#### STOP continually strives to:

- Push governmental agencies to reform their policies to better address food safety
- Serve as a reference and resources for those concerned with food safety and foodborne illness
- Provide assistance and support to those with ongoing medical and emotional issues related to foodborne illness
- Receive recognition for our extensive background in, and broad distribution of, food safety information
- Raise awareness through regional and national conferences, webinars and E-alerts

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the Organization's significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

#### BASIS OF PRESENTATION

The accompanying financial statements report the assets, liabilities, revenues and expenses of the Organization using the accrual basis of accounting. The Organization reports information regarding its financial position, activities, grants and contributions received, if any, according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

#### CASH AND CASH EQUIVALENTS

For purposes of the statement of cash flows, the Organization considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents, but does not include certificates of deposit. At December 31, 2020 and 2019, there were no cash equivalents. The Organization maintains its cash in bank deposit accounts, which, at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts.

#### PROMISES TO GIVE AND REVENUE RECOGNITION

Grants and gifts are recognized when the grantor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions in the statement of activities. Restricted contributions are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contribution is recognized.

Conditional promises to give are recognized as support when the conditions on which they depend are substantially met.

Support from grants and other agreements that in substance constitute exchanges for services from the Organization is recorded as deferred revenue and recognized as earned.

Amounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible promises using the allowance method. However, no allowance was determined to be warranted at December 31, 2020 and 2019.

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

#### CAPITALIZATION AND DEPRECIATION

Property and equipment are recorded at cost and capitalized, while expenditures for maintenance and repairs are charged to expense as incurred. Donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Upon disposal of depreciable property, the appropriate property accounts are reduced by the related costs and accumulated depreciation.

Depreciation is provided for using the straight-line method in amounts sufficient to relate the cost of depreciable assets to operations over their estimated service lives which vary from three to ten years. The estimated service life of the assets for depreciation purposes may be different than their actual economic useful lives.

#### **ESTIMATES**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### INCOME TAXES

The Organization is tax exempt under Internal Revenue Code Section 501(c)(3), is classified as a public charity under Section 170 (b)(1)(A)(vi) and has no unrelated business income. Accordingly, no provision for income taxes is reported.

The financial statement effects of a tax position taken or expected to be taken are recognized when it is more likely than not, based on technical merits, that the position will be sustained upon examination. As of December 31, 2020, the Organization had no uncertain tax positions that qualify for recognition or disclosure in the financial statements.

#### CONTRIBUTED SERVICES AND GOODS

The Organization receives donated services from countless unpaid volunteers assisting with advocacy, outreach, educational and fundraising efforts. Amounts have not been recognized in the financial statements for the value of such volunteer efforts because the criteria for recognition under accounting principles generally accepted in the United States of America have not been met.

Donated services related to legal services performed in an attempt to recover funds fraudulently stolen are recognized at estimated fair values when received and totaled \$20,275 was expensed during the year ended December 31, 2019.

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

#### **BOARD REVIEW**

The Organization has evaluated subsequent events through the date which the financial statements were available to be issued which is the date of the Independent Auditor's Report.

#### **NET ASSETS**

Net assets are classified based on the existence or absence of donor-imposed restrictions.

Net assets without donor restrictions: Net assets not subject to donor-imposed

stipulations

Net assets with donor restrictions: Net assets subject to donor-imposed

restrictions that may or will be met by actions of the Organization or the passage of time. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported on the statement of activities as net

assets released from restrictions.

#### NOTE 3 - CONCENTRATIONS AND UNCERTAINTY

During the years ended December 31, 2020 and 2019, approximately 56% and 59% of the Organization's total support and revenues came from one foundation (formerly corporate donor), respectively. Should funding by this foundation be discontinued or substantially reduced, the Organization would be required to secure alternative funding sources to assure its ongoing financial viability. To address this concern and broaden the number and types of financial supporters, management has undertaken several initiatives including marketing and public relation programs and related training for board members and staff.

#### NOTE 4 – PROPERTY AND EQUIPMENT

Property and equipment consists of the following at December 31, 2020 and 2019:

	2020	2019
Furniture	\$ 7.044	\$ 7.044
Equipment	34,613	33,148
Website development	14,930	14,931
·	56,587	55,124
Accumulated depreciation	(54,858)	(54,111)
Property and equipment, net	\$ 1,729	\$ 1,012

#### NOTE 5 - OPERATING LEASE

The Organization conducts its activities from administrative offices located in Chicago, Illinois. In 2016, the Organization moved to space in a different building under a five-year lease agreement which commenced on March 1, 2016. Monthly rentals under the new agreement total \$1,706 in year one, \$1,749 in year two, \$1,792 in year three, \$1,837 in year four, and \$1,883 in year five. Rentals under the former lease were \$1,570 per month. In May 2018, the Organization renewed the studio apartment under a one-year lease agreement as a place for visiting board members stay. The lease is renewable yearly in writing. In May 2019, the studio apartment lease was renewed through August 31, 2019. In August 2019, the lease was renewed through August 31, 2020. Future annual minimum rentals under the leases are as follows at December 31, 2020:

2021	\$ 3,766
	\$ 3,766

#### NOTE 6 - NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions are restricted for the following purposes or periods:

						2020	 2019
Subject Expendite		Satisfaction	of	Program	Restricted		
		o Fellowship STOP Foodbori	ne IIIr	ness		\$ 80,967 445,257	\$ 31,620 350,830
Total net	asse	ts with donor re	estrict	ions		\$ 526,224	\$ 382,450

During the year ended December 31, 2020, expenses for the restricted programs above were allocated to the respective expense line items under program services rather than presented separately. Total expenses for the Dave Theno Fellowship and Alliance to STOP Foodborne Illness were \$51,653 and \$165,573, respectively, for the year ended June 30, 2020.

#### NOTE 7 - LIQUIDITY OF ASSETS

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. To help manage unanticipated liquidity needs, the Organization maintains investments to meet a minimum of two years of normal operating expense.

The Organization has \$523,980 of financial assets available within one year of the statement of financial position date to meet cash needs for general expenditures consisting of cash of \$392,765 and promises to give of \$131,215. The promises to give are subject to implied time restrictions but are expected to be collected within one year.

#### NOTE 8 - PROMISES TO GIVE

Unconditional promises to give consists of the following:

	\$ 260,000	\$ 100,000		

#### NOTE 9 - EXTERNAL FRAUD

In January 2019, the Organization discovered external fraud totaling \$51,609. The individuals who committed the fraud took over the email account of the Organization's CEO while she was on vacation and requested wire payment for two separate invoices totaling \$51,609. As of the report date, no money has been recovered or is expected to be covered. The Organization has implemented internal controls including wire security protocols with the banking institution in order to mitigate future external fraud of the same nature.

#### NOTE 10 - SMALL BUSINESS ADMINISTRATION ECONOMIC DISASTER LOANS

During the year ended December 31, 2020, the Organization received \$82,383 through COVID-19 programs that were sponsored by the United States and administered by the Small Business Administration (the "SBA"). The most notable program was the Payroll Protection Program (or "PPP"). The Organization's PPP loan, \$82,383, has a two-year term and bears interest at 1% per annum. Under the PPP, the Organization can be granted forgiveness for all or a portion of these loans based on the Organization's spending on payroll and utilities. Subsequent to December 31, 2020, the Organization was notified that the loan was completely forgiven and grant revenue was recognized accordingly.
