

September is National Food Safety Education Month

Please join us for

~ STOP3000 ~

The CDC estimates that *3000 people die from foodborne illness annually.*

What can YOU do?

Help Stop Foodborne Illness give 3000 silenced voices an opportunity to be heard.

By taking 3000 steps a day ~ just 1.3 mi ~ every day in September

- Create a personalized fundraising page or donate at: justgiving.com/campaign/stop3000-2021
- Set a fundraising goal.
- **Connect** with your family and friends on social media and email.
- **Ask** them to support your efforts by making a donation to STOP.
- **And** to share your personal fundraising page on their social media platforms.

Thanks to a generous \$100,000 challenge grant, when you participate in STOP3000, every donation is matched dollar for dollar.
